

CALLING FOR THE BOLD

CRITICAL CARE ADVANCED PRACTICE PROVIDERS *Nationwide Careers*

WHY SOUND?

As an Advanced Practice Provider (APP) with Sound Critical Care, you have the opportunity to practice critical care medicine in your community with the support of a critical care team. Enjoy a rewarding career alongside dedicated intensivists as we expand and impact lives across the country.

- Collaborate with a multi-disciplinary team utilizing evidence-based medicine and established critical care protocols
- Develop procedural and patient care management skills with the support of an intensivist team
- Thrive in an environment that promotes Sound's core values: Quality, Teamwork, Service, Innovation, and Integrity

Michael Smith, PA-C
Critical Care APP
