

CALLING FOR THE BOLD

CRITICAL CARE *Nationwide Careers*

WHY SOUND?

Sound Critical Care is a physician-founded and led organization that has been a leader in the critical care space for over 20 years. We remain at the forefront of transforming and advancing patient care that leads to improved patient outcomes, greater patient satisfaction, and improved ICU performance.

We boast a truly multi-disciplinary team of board-certified intensivists and critical care trained advanced practice providers. We ensure that physicians and APPs have the time and resources needed to deliver compassionate care within a culture that promotes autonomy, mastery, and purpose. Our intensivist teams are change agents within the hospital ICU setting and continue to elevate the level of care in the communities we serve.
