

KENTUCKY RIVER MEDICAL CENTER

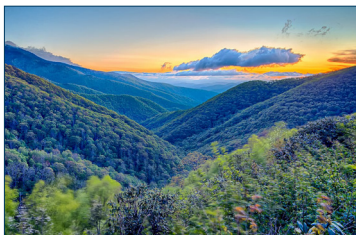

JACKSON, KY

Join the fastest growing physician-led practice centered on your experience where you can be proud of the care you give

Kentucky River Medical Center has been the premier provider of medical services to the citizens of Jackson, Kentucky and its surrounding areas. This 55-bed, acute-care, community hospital offers patients a variety of services, including Cardiology, Critical Care, and Emergency Medicine, Surgery, and Orthopedics. KRMC is a partner of Quorum Health and is accredited by The Joint Commission.

LOCATION & LIFESTYLE

Jackson is a quaint town surrounded by the beauty of the Appalachian Mountains of Eastern Kentucky. Jackson has both the Kentucky River and Pan Bowl Lake to provide you with excellent fishing, boating, and water skiing. And with its close proximity to the beautiful Red River Gorge and Carter Caves State Park, you can easily take in a hike or plan a weekend camping trip right around the corner from home. Jackson plays host to several annual festivals and community events, including the Breathitt County Honey Festival and the County Heritage Festival. You can also learn more about the area by visiting the Highland Museum or the Kentucky Folk Arts Center, where you can view works from local Kentucky artists or enjoy a live music event.

FRAN MESSINA
